Sir,

Regarding a sum of Rs 107-10-0 due to the Birur Town Municipality from Sri R Subba Rao of Birur

In forwarding herewith the entire file of correspondence on the above subject, received with letter No H C 48/48-49 dated 29th October 1948 from the President, Town Municipal Council, Birur , I wite to state as follows -

The Birur Town Municipal Council formed in the year 1944 a Sub Committee to supervise the construction of the building behind the Birur Town Hall for the use of the K L K High School Birur In accordance with the resolution dated 11-8-1944 of the said Committee a sum of Rs 250/- was advanced from the Municipal funds to Sri R Subba Rao, Convenor of the Committee on 26-8-1944 towards the supply of window and door frames required for the building It was observed at the time of the inspection of the Municipal Office held on 8-3-45 that the said sum of Rs 250/- was not accounted for by Sri R SubbaRao who was also a Municipal Councillor and instructions were issued by the then Deputy Commissioner to reimburse the Municipal Funds to that extent

It is seen from the records (vide resolution dated 17-3-45 of the Committee) that windows and 2 doors were supplied by Sri R Subba Rao On 17-3-1945 the building Committee have resolved that the dimensions of the window frames were not uniform and that only the 2 door frames might be accepted It is further seen from the resolution dated 28-4-45 of the Committee that as opined by the Assistant Engineer, Kadur Division, the bill in respect of 2 doors and 4 windows might be passed for a sum of Rs 66-6-0 Sri R Subba Rao paid a sum of Rs 76/- in cash for credit to the Municipal Funds on 30-3-45, Thus the balance of Rs 107-10-0 was due from Sri R Subbarao towards full adjustment of the advance of Rs 250/- drawn by him On the receipt of a reference from the President, a notice was issued

PTO

was issued from this office on 30-9-46 requiring Sri Subba Rao to xx to credit the balance. It was represented by the party that the 4 windows supplied to the Municipality were not taken to account in estimating the value of articles, supplied by him and that the value of the articles was not properly estimated

The President, who was required to furnish the considered views of the Municipal Councill in this behalf has reported that the Town Municipal Council have resolved on 28-10-1948 that a rate of 12/- per cubic foot might be admitted in view of the higher cost of wood obtaining even now It is also stated that there is nothing on record to show that the other 4 window frames were returned to the party and that the same might have been included amoggst certain articles sold by the Municipality in public auction The Municipal Council have therefore resolved to request Government to waive the recovery of the balance of Rs 107-10-0 due from Sri R Subba Rao in view of the fact that the rates of wood, quoted by him are reasonable and in view of the fact that the Municipality cannot explain as to what happened to the 4 windows supplied by the party

Under the above circumstances, I am of opinion that though the contention of the party cannot be said to be tenable, the proposal of the Municipal Council to remit the balance of Rs 107-10-0 due from Sri R Subba Rao may kindly be accepted by Government I request the favour of early orders of Government in this behalf

Yours Faithfully,

Deputy Commissioner,
Chickmagalur District
